Tuesday night

Hi ya -

I'm down here for a bishops' meeting. Unfortunately the week is all mixed up. I'll go back to Newark tomorrow and have to come back to Washington on Friday for Cardinal O'Boyle's funeral! Your poor uncle!

I just wanted to say Thanks for coming on Friday evening. I really enjoyed our visit. You're a great kid and I know the Lord will continue to bless you. You are very much in my prayers and I will remember your folks as well.

I'll be in Washington in late September - after the Pope's visit - for three days. Maybe you and a couple of the guys can come down for a pizza at my brother's house. I'll let you know in plenty of time.

Thank God we didn't go to dinner on Saturday night! We'd have been in the middle of a gangland sub-out. I think you met the murdered man when I did as we came into the restaurant. Your uncle has great spots to tell you to!!!

Be good. Enjoy Florida. I'll see you soon.
Call me collect when you get settled. (after 11. in

I'll be in Maine 8/16 to 8/20

in Eastern Camp 8/24 to 9/8

in Florida 9/9 to 9/14

in California 9/14 to 9/19

in DC 9/22 to 9/24

What a life! Pray for me.

God bless,

Love,
